

# TRY IT TUESDAY VISIT

Partner with us for Try It Tuesday—a paid social media feature delivering direct Facebook Reel exposure and some of our highest-performing posts to date. A Chamber representative will visit your business to try one of your products or services on video, sharing their experience with our engaged local audience.

This is a fun, authentic way to showcase what makes your business unique, boost brand awareness, and connect with the community. Whether it's a product demo, behind-the-scenes peek, interactive class, or a sneak peek of a new service, your business will get personal, engaging visibility across the Chamber's social platforms.

Ideas to get started: product or service demonstration, exclusive sample, behind-the-scenes look at your work, "walk in your shoes," themed events, or a special promotion. Let's make your business the star of the week!

## TRY IT TUESDAY VISIT \$195/promotion

- Intentional logo placement and exposure in promotional efforts on social media promotions via Facebook Reel, exposure in follow-up photos included in our monthly newsletter, and included on our website (as applicable)
- Includes a Paid Partnership label as a brand sponsor for extended social exposure
- You agree to provide the "experience"; Chamber approval required
- Reel will post on a Tuesday following production, subject to availability
